First Aid Requirement Calculator

Having the correct first aid provision in the workplace is not only a legal requirement, it is incredibly important for the safety of you and your employees.

Our easy to use First Aid Requirements Calculator has 3 simple steps that should only take a few minutes to complete. This uses the latest **HSE** guidance to provide a full breakdown of how many first aiders is needed and what type of training they require. To use this tool, visit our webpage at www.crystalclear1staidtraining.co.uk
